SUPERPRO

1 Prepare · 2 Cut & Drill · 3 Set · 4 Grout · 5 Clean

Safety and adaptability, closer together than ever before

1. Thanks to RUBI's new ELLIP manual vacuum suction cup: an innovative design that makes it easy for you to transport tiles and other materials.

2. Its quadruple teeth and double lip ensure optimum grip on rough or slightly uneven surfaces, while the protected release mechanism prevents dirt build-up and allows for quick release of the vacuum. With a load capacity of up to 140 kg*, and thanks to its unique elliptical shape, the ELLIP suction cup is the perfect solution for professionals who need maximum adaptability without compromising safety.

167 x 247 mm
6 9/16" x 9 3/14"

Max.
140 kg · 309 lb*

Heavy duty · **High security** · **Strong** · **Quick release**
